

Standing order instruction Season 2014-2015

Sporting 87
Football Club
witness through football

If you already have a standing order arrangement set-up previously using a version of this form, then you don't need to do anything; your existing standing order will continue for the next season. If you want to set-up a standing order payment, complete this form and then return it to the Club. To help us with administration, please don't set-up standing order instructions directly with your bank instead of using this form.

Standing order payments can take up to a month to start so to cover training and matches until then you must make a commensurate cash or cheque payment. You are responsible for checking when your standing order payments have started – you only have to check the 28th of each month.

The regular subs fee is a monthly division of a yearly total, and is required every month, even out of season. Regular subs payments don't cover additional activities, such as: mid-season friendly matches, out-of-season 'continuity' training (run by the Educational Trust), tournaments, and socials.
